Ey muhterem ahali kullanın yerli mali  
Meşhut olsun bizde de zenginliğin kemâli  
Naktimiz elde kalsın refahımız çoğalsın  
Değil midir borcumuz düşünmek istikbali

Çok olursa paramız kapanır her yaramız  
Olur güzel yurdumuz bir gün cennet misali  
Bu mübarek topraklar göğsünde neler saklar  
Biz istersek her taraf servetle olur mali

Ey muhterem ahali kullanın yerli mali

Ey muhterem ahali kullanın yerli mali
