Dalında Solarken Akşamın Gülü/2

Dalında solarken akşamın gülü
Ufuktan çözülmüş güneşin tülü
Dinlerken kırlarda yanık bülbülü
İçmesem bir türlü, içsem bir türlü

Akşamüstü çatmış muhabbet demi
Kurmuştur erenler meclis-i cem'i
Başımdan eserken hicran meltemi
İçmesem bir türlü, içsem bir türlü
